

CHANGE IN FILE STATUS
APPROVAL FORM

DATE January 21, 1987

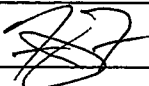

CURRENT FILE NO. ACT/017/016

RECOMMENDED FILE NO. INA/017/016

COMPANY AND MINE NAME Plateau Resources, Shootering Mill

REASON FOR CHANGE IN FILE STATUS

The NRC has a permit and reclamation bond with this mill which is located next to the Tony M/Lucky Strike Mine. The mine is permitted seperately from the mill and the contract bond for the mill, which Plateau had with the Division, lapsed in 1984. There appears to be no reason for us to double regulate on this mill.
